**Written comments**

Strengths: ALWAYS ARRIVES EARLY TO DO PRE-GAME CHECK / WALK THE FIELD. ALWAYS READY TO HELP SET UP & JUMP IN IF INJURY OCCURS.

Weaknesses (please give constructive feedback):  
maybe just a little more explanation on what abilities are. I noticed even w/our first student, it was unclear on level of experience etc.

→ That being said, I'm sure I asked Grace but nothing serious (injury-wise) came up. She was great, okay?
